PRINCESS MAY ROAD, LONDON N16 8DF

**P.E and Sport Premium Spend 2014-15 Academic Year**

**Allocation: 2014-15 £9,700.00 Allocation 2015-16 £9,710.00**

**Total Available 2014-15 = £9,704.166**

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

The Government is spending over £450 million on this funding over the 3 academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016. Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that we can use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years
- 

For example, we can use the funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools
