CHILDREN'S MENTAL HEALTH WEEK

Dear parents and carers,

What a busy and successful half-term it has been. Our autumn term assessments show that children are making great progress across the school, thanks to the excellent team that we have. I am glad to hear that some of you have contacted your child's class teacher about your child's progress and how you can best help them at home. We will always achieve the best outcomes for your child by working together in partnership.

After half-term, we will once again be offering our termly parent and carer open mornings, this time with a focus on maths. Please look out for an invitation in the first week back. The feedback from the last open morning was excellent, so if you didn't join us last time then please do try to join us this time around. There will also be an opportunity for you to have a question and answer session with the maths subject leader, Ms Ali, and the Assistant Headteacher for curriculum, Ms Archer.

Finally, I think we are all shocked at the tragic events in Turkey and Syria. Today, the children have had a non-uniform day and donated £1 to the aid effort there. We are also offering to take donations at the end of the day today and you can be assured the funds will reach their intended destination.

As you know, tomorrow is a staff training day and so the school will be closed to pupils, so let me wish you a great half-term break and we will see you all back at school on **Monday 20th February**.
