A Message from the Headteacher

Dear parents and carers,

Another busy week has whizzed by and we are now looking forward to a full week in school next week, a week which includes our annual Science Week festival, which I am really looking forward to. Of course, you are all invited to attend and more detailed information is in today's newsletter.

We also have our latest open morning next Friday, which based on parent and carer feedback from the last morning, will have a maths focus. Again, you are all invited, so please do join myself and the senior leadership team for a morning of maths, which will include observations of maths across all year groups and an informal discussion with the maths subject leader, Ms Ali, during our tour.

Punctuality continues to be excellent, so thank you for your efforts here. A reminder that we open for morning work for all children from 8:45am each morning, so please do join us then for an extra 10 minutes of learning each day – it all adds up (almost an hour over the week!)

Have a great weekend.

Mr Reynolds
Headteacher

School Uniform

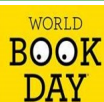

Our school uniform is very important to us because it shows that each child is part of our whole school community. Please ensure your child is in the full school uniform each day and including for PE. As a reminder, only white t-shirts should be worn along with black jogging bottoms or shorts. Trainers are fine as are plimsoles but please ensure these are plain black. Please also remember to **put your child's name on all items of uniform** so they can be returned if lost.

Princess May is partnered with The Literacy Pirates and they would like to offer a warm space for families. The centre is at **138 Kingsland High Street E8 2NS** and is available between **11am until 3pm** Monday to Friday.

If you are interested in using this space, either go along during the above hours and ring the buzzer, or contact The Literacy Pirates on **07912 178037**.
