A Message from the Headteacher

Dear parents and carers,

Thank you so much to all of the parents and carers that joined us on our latest spring open morning this morning. It is always great to be able to open up to the community and share all of the great work that goes on behind closed doors. If you did manage to attend, then we would be grateful if you could complete this short survey about your experience: <https://www.surveymonkey.co.uk/r/M9CV8CC> If there is enough demand, then we will run this again in the summer term.

In other news, year 4 visited the Royal Maritime Museum and Observatory in Greenwich on Tuesday. The behaviour of the children was impressive and I am proud that year 4 represented the school so well. Thank you to the parents and carers who attended – we could not have run the visit without you. For the other year groups, an educational visit map will be shared before the end of term to inform you of your child's year group visit next term.

A reminder that next week is the last week of term. We finish on Thursday at 1:45pm, so please do ensure your child is collected at the earlier time. Friday is a staff training day.

Have a great weekend.

Mr Reynolds
Headteacher

Ramadan

Ramadan is the ninth month of the Islamic calendar. It begins and ends with the appearance of the new moon. Most Muslims fast between dawn and sunset. Fasting allows Muslims to devote themselves to their faith. It is thought to teach self-discipline and reminds them of the suffering of the poor. The end of Ramadan is marked by a big celebration called 'Eid ul-Fitr' (the Festival of the Breaking of the Fast).
