A Message from the Headteacher

Dear parents and carers,

This week, the vast majority of children have been participating in the Inspire Word of Work week. This has involved educational visits as well as visiting speakers and classroom activities and assemblies. Each year group worked on a different theme, with year 6 visiting the headquarters of KPMG in Canary Wharf! At Princess May, we work hard to develop children's cultural capital, and to show them the opportunities that London and the surrounding areas hold. As well as this, Ms Archer led a special assembly to mark the 75th anniversary of Windrush Day. Teachers also taught a special lesson on the Windrush generation and their contribution to society and Hackney in particular.

Our lunchtime and enrichment programme is now fully up and running again, with chess club, code club, dance club, reading club, American football club and much more all taking place both at lunchtimes and after school. Why not ask your child which clubs they have attended this week?

Please do remember to send your child to school with a water bottle each day as it is still very hot in school!

Have a great weekend.

Mr Reynolds
Headteacher

Please remember to use sunscreen and provide your child with a bottle of water.
