A Message from the Headteacher

Dear parents and carers,

We have been busily preparing for the summer fair this week and staff really have gone the extra mile in making it a success. I hope you will find it an excellent new addition to our calendar, much as the Winter Fair was. We think our events would be even better if more of our parent and carer community were directly involved and we will be putting out expressions of interest next week to try to build a parent association, much in the same way that other schools have. Please do join us so we can make our community events even better!

As you now all know who your child's class teacher will be next year, we can announce some small changes to our staffing next year. We will be very sorry to say goodbye to Mr Conlan and Ms Begum. Mr Conlan has done a brilliant job in year 3 this year and had always planned to go travelling this summer, so we wish him well on his travels and may see him back here soon. Ms Begum has been fantastic in working with our children who need more support in class, and she now begins the next step of her training. Please do join me in thanking them for their work here should you see them in the playground over the coming days.

A reminder that school closes for the summer holidays next Friday at 1:30pm.

Enjoy the fair and have a great weekend.

Mr Reynolds
Headteacher

Goodbye from Mr Conlan and Ms Begum

A big thank you to all the staff and pupils of princess may for making my experience working here amazing. I wish all the children at Princess May the best with their academic journey! - Ms Begum

Even though I'm about to start an exciting journey of my own, I'm very sad to be saying goodbye to everyone at Princess May. Princess May is without a doubt the most amazing school I've ever worked at, and all of the children in 3NC will forever have a very special place in my heart. - Mr Conlan

Please Respect Our Neighbours

Please be mindful that we are surrounded by residential properties and we work hard to maintain good relations. We would ask you not to sit on the walls of our neighbours and to be mindful of noise before and after school. Thank you.
