A Message from the Headteacher

Dear parents and carers,

It has been a really great week of parent engagement events, including the new hugely-popular Come Dine With Me events. Feedback has been really positive and we will soon be sharing a survey with you to get your feedback on this and some of the other events we have held.

There were also several sporting events this week in which our children competed, including girls' football and netball. Our participation in competitive sport has hugely increased this year and it really has given us a lot to be proud of, particularly our netball team, who reached the final! All of the children have made amazing progress when competing and a big part of this is down to the work of both Coach Jamiah and Ms Dodd. As always, please see our Twitter page for photos of these and all of our other events.

Have a great weekend.

Mr Reynolds
Headteacher
