A Message from the Headteacher

Dear parents and carers,

It has been another very busy and successful week at school, with the highlight being our annual science fair, which was again a huge success. Ms Yesilcimen has done a brilliant job of organising it all and allowing our children to show off their scientific flair through some amazing experiments. As well as the fair, children, staff and parents were treated to an insight into year 1's learning this term at their class assembly. The videos of the children programming Bee-Bots were a particular favourite.

As you know, we have continued to work very hard on attendance this year and I am very glad to report that we have been identified as being in the top 25% of similar schools nationally for attendance in the autumn term, so a big thank you to all of you who have ensure your child is in school each day and on time.

Please do enjoy what looks like a better weekend weather-wise and see you all on Monday.

Mr Reynolds

Headteacher

Science Fair 2024!

As part of British Science Week, we held our annual Science Fair on Wednesday, which was a huge success! Children from Nursery-Year 6, were able to showcase their amazing experiments from home! Our young scientists were able to teach their teachers! Thank you to all of our wonderful parents who attended and supported their children at home! And thank you to our Science lead, Ms Yesilcimen, who did a brilliant job of organising it all! Prizes will be awarded to the scientists with the most unique experiments next week!

Hackney Cycle League!

Well done to our Year 5 and Year 6 cyclists who took part in their second Hackney Cycle League race at Lee Valley Velopark.

'We had the best day!'
