A Message from the Headteacher

Dear parents and carers,

It is hard to believe we are now at the end of another term and what a packed one it has been. We have had a record number of educational visits, which has really enriched children's experiences and brought learning to life. There doesn't seem to be a day that goes by where a class isn't setting off for a trip to central London or somewhere of note in our local area. If you would like to see the enrichment journey that children from nursery to year 6 are part of when they join the school then please see our '11 b4 11' page on our website: <https://www.princessmay.hackney.sch.uk/provision/provision/11-b4-11>

As I mentioned last week, today your child will bring home their latest assessment results from our NFER standardised tests that take place termly. This will give you an idea of where your child's attainment compares nationally. Your child's class teacher will be more than happy to discuss this with you after the holidays. Please feel free to approach them informally at the end of the school day for tips on how to support your child at home.

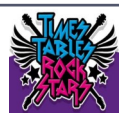

I would like to take this opportunity to wish everyone that is celebrating a very happy Easter and Eid Mubarak to those celebrating Eid!

Have a great holiday and see you all back on Monday 15 April at 8:45am.

Mr Reynolds
Headteacher
