SPRING TERM NEWSLETTER

THURSDAY 28TH MARCH 2024

As you already know, we have embarked on a journey to work towards achieving a National Award called the 'Leading Parent Partnership Award' (LPPA), which we hope to achieve later on next year. Here is an update of our progress towards the award.

YOU SAID...

Parent suggestions for office area:

"It would be nice to have some plants, a tv with information and children's work on display in the main office area."

WE DID...

We have painted the office area and have started to order some plants too. Staff loved the idea of displaying children's work in the office area, so we will begin to organise this for after Easter. We will look to fundraise for a tv with information in the near future too. Thank you so much for your suggestions! They really do help!

3.

The PTFA needs your support! Would you like to volunteer to help plan and organise our summer fair? If so, please speak to a member of our PTFA or staff.
