A Message from the Headteacher

Dear parents and carers,

Welcome back to school and I hope the first full week back for you and your children has gone well as we settle back into a routine after 6 weeks off. It's been fantastic to welcome everyone back, as well as the 26 new children and families from Colvestone Primary School, to which we extend a very warm welcome. I have to say I am incredibly impressed with how everyone has settled in, including our new families, and the school feels calm, purposeful and happy. Thank you, as always, for what you do for the Princess May community.

I was glad to see so many of you at the teacher presentations on Monday, which was a chance to meet your child's new teacher again and to find out how the year will be structured and run. If you were not able to attend, the presentations have been uploaded <https://www.princessmay.hackney.sch.uk/parents/parent-consultations> for you to review. Please see your child's teacher at the end of the day with any questions.

A reminder that the gate opens each day at **8:45am**, so please do arrive early and take advantage of our 10 minutes of extra maths per day!

Have a great weekend.

Mr Reynolds
Headteacher

Online Homework Portal **'Learn with Emile'**..

Please support your child with completing their homework by following the guidance they received today alongside your child's personal login details. Your child's class teacher will set a homework task (Maths and Grammar) on Emile every Friday. The homework will be due the following Friday. If your child requires some support with their homework, we offer a lunchtime homework club every Thursday and Friday.

School Streets

Please help us keep our children safe by keeping Princess May Road car free each morning and afternoon. We have noticed a large increase in parents and carers parking during drop-off and collection.

Hackney Council regularly patrol the road so please don't put yourself at risk of a fine. Many of our children walk and cycle to school and driving during these times is putting them at risk.
