### A Message from the Headteacher

Dear parents and carers,

Despite the very unseasonal weather, children have largely still enjoyed their breaks and lunches outside this week to get the fresh air needed to work well in their lessons. John, our Premises Manager, who you will know from the gate each morning and afternoon, has done a sterling job clearing the playground of water and ensuring a safe space for our children to play in. We have also ensured that PE has gone ahead as usual, as well as our breakfast and after-school clubs. If you would like to join any of our clubs, please see the school website or contact our office team.

I am glad to see that Princess May Road remains largely clear of cars each morning and afternoon. This creates a calm and safe space for children to come and go from school each day. Unfortunately, there are still parents that continue to park and drive on Princess May Road, which ultimately is putting our children at risk. Even if you have a permit, I would ask you not to enter Princess May Road during drop-off and collection. Hackney Council will be enforcing this daily from next week.

We will soon be announcing our parent consultations to take place this term. Please keep an eye out for an email next week and also ensure that the office have your current contact details, using the data sheet sent to you last week.

Have a great weekend.

Mr Reynolds  
Headteacher

### School Streets

Please help us keep our children safe by keeping Princess May Road car free each morning and afternoon. We have noticed a large increase in parents and carers parking during drop-off and collection.

Hackney Council regularly patrol the road so please don't put yourself at risk of a fine. Many of our children walk and cycle to school and driving during these times is putting them at risk.
