Head's Message

Dear parents and carers,

As some of you may know, the school is working with the local authority in hosting adult learning courses in both our parent room and downstairs classroom. I am pleased to see that some of our parents are taking advantage of this, taking part in such courses as learning English and maths skills. If you or someone you know would like to get involved then please email us at admin@princessmay.hackney.sch.uk or send us a direct message on our X account: <https://x.com/PrimaryMay>.

You may have noticed on our school parent board that we have been recognised as demonstrating excellent attendance of pupils at school in the past academic year, putting us in the top 25% of similar schools nationally. Thank you for your support in ensuring children attend school each day.

Headteacher
