### HEAD'S MESSAGE

Dear parents and carers,

Welcome back to the second part of the autumn term – I hope you had a great half-term break.

The first week back has gone incredibly quickly, with it very much feeling like we have started where we left off. I am particularly glad to see that attendance has been 97%+ this week and that children have been arriving on time. This ensures that children have the absolute best chance to succeed and reach their potential. Some of you will have received invitations to meet our Educational Welfare Officer (EWO) to offer support should your child's attendance not be as high as expected. If you have any questions about these appointments, please contact the school office.

Parent consultation appointments remain open for booking through Arbor. Appointments are booking up fast, so if you haven't already done so, please ensure your appointment is booked today. I am aware some of you have not registered for Arbor – please check your email account and/or texts for an activation link to ensure you can register and make your appointments.

We love children walking, riding their bikes and scooters to school each day, as this provides the healthiest and safest way to get to school and protect our school streets. A reminder that electric scooters must not be used as a mode of transport as this is very unsafe for primary-aged children. A reminder that we now have camera enforcement of our school streets – thank you to those who always respect this important project.

Have a great weekend

Mr Reynolds  
Headteacher

**Important Notice: After School Club Bookings**  
To help us ensure we have the right number of staff to safely care for all children attending, After School Club must now be pre-booked in advance. We are no longer able to accept same-day bookings unless it is an emergency. Thank you for your understanding and support in helping us plan effectively.
