HEAD'S MESSAGE

Dear parents and carers,

It has been a very smooth week at school with some excellent learning taking place across all year groups. Our lunchtime zoning provision is working very well, with children having rich experiences on rotational basis each day, including the option of attending lunchtime clubs. Please check the parent noticeboard for the options available for our clubs.

Some of you will have received a letter from our Educational Welfare Officer asking you to attend a meeting with them later this month. Part of their role is to ensure that children are attending school on time and each day. Meetings are designed to be supportive and provide a discussion space as to what the barriers may be to acceptable attendance. Many of the meetings are around term-time holidays, which unfortunately, are never allowed. I would like to remind parents and carers that any holidays taken during term-time will result in a fixed-penalty notice, issued by the local authority. Those who repeat any term-time holidays have been and are highly likely to be prosecuted through the courts. We really do need children in each day to ensure they reach their potential, so thank you to the vast majority of you that support us with this.

A reminder to please ensure that children are sent to school in warm-weather clothing, as we do aim to send children outside as far as possible.

Have a great weekend.

Mr Reynolds
Headteacher
