HEAD'S MESSAGE

Dear parents and carers,

I hope you had an enjoyable and restful half-term break. It has been great welcoming children back to school this week and I have been impressed at how everyone has settled straight back in.

The bulk of the week was largely a continuation of our learning from the first part of the spring term with a slightly stronger focus on maths, as we hosted our termly visit from our maths development lead. Teachers and children were supported by Kate, a specialist maths teacher, to ensure lessons were engaging and interactive, encouraging each child to reach their potential. Please do take a look at the curriculum overviews that were sent home earlier this term to enable you to support your child with maths learning at home. The week finished with a specialist Chinese dance workshop to celebrate Chinese New Year, which was thoroughly enjoyed by all. Thank you to Ms Yesilcimen for arranging this.

A final reminder to please check our parent noticeboard for the exciting programme of events coming up over the course of the remainder of term. We are very excited to welcome you to classroom visits and class assemblies in particular. You will also be able to get a first look at the early stages of our school refurbishment programme.

A reminder that we open each morning at 8:45am and that the gate closes promptly at 8:55am.

Have a great weekend.

Mr Reynolds
Headteacher
