HEAD'S MESSAGE

Dear parents and carers,

Another term has flown by and as we enter the final week of term, it is always a good time to celebrate some successes and achievements. I am really glad to see that our attendance has increased significantly this term and that far fewer children are arriving after 8:55am. Thank you for your support with this. It really does make such a difference having children in each day and on time, giving them the best start to the day. The focus and behaviour for learning has also been exceptional – with a notable improvement at break and lunchtime. We look forward to the new equipment from the Co-op arriving soon to support this even further!

Children have been working hard over the past week to complete their termly assessments. We are looking forward to seeing how much progress has been made over the last term and over time also. The school uses NFER standardised assessments for reading and maths, so you will receive the outcomes of these before the end of term. If you would like to discuss these further, please speak to your child's class teacher at the end of the day or email us at the admin mailbox. A huge thank you to the KS2 parents and carers who attended our lesson visits on Tuesday. The feedback from both events has been fantastic and we will be sure to take on board any development points for the next visit.

A reminder that school will finish for the Easter break at 1:30pm on Friday. Gates will open from 1:25pm so please ensure children are collected promptly on this day via the usual collection gate.

Eid Mubarak to all those celebrating over the weekend and we will be in touch with one last newsletter on the last day of term.

Have a great weekend.

Mr Reynolds
Headteacher
