### HEAD'S MESSAGE

Dear parents and carers,

Although a short half-term, at only 5 weeks, we feel we have packed a lot in to make children's experiences really valuable and worthwhile. One of my personal highlights was the science dome, where children were immersed in 3D experiences as part of our science week. We have also had the usual range of high-quality and enriching educational visits across all of our year groups, including reception's visit to Hackney City Farm, as well as year 6's junior citizen visit. Thank you to all of the parents and carers that have supported to make these visits possible.

Our attendance has also continued to improve and I am glad to report that we are now above national averages. A reminder that term-time holidays are not allowed and that our ambition is always 100% attendance. I am also very pleased to see that punctuality is now far better and that children are benefitting from the 10-minutes of 'soft-start' work that teachers set each morning. If you would like support with your child's attendance then please approach a member of the senior leadership team on the gate or email the school office.

A reminder that there is an INSET day (staff training day) on Monday 13 April and that the school will be closed to all pupils. Children should return to school on Tuesday 14 April at the usual start time of 8:45am.

Have a fantastic break and thank you for your support this term.

Mr Reynolds  
Headteacher
