HEAD'S MESSAGE

Dear parents and carers,

It has been a very busy but productive half-term and I hope you are all looking forward to the half-term break next week. This half-term, we have continued to provide additional opportunities for children across the school, including the introduction of more lunchtime clubs for children to attend. It has been great to see so many children enjoying and engaging in these activities.

I would also like to thank all parents and carers for your continued support throughout the half-term. We are now looking forward to the final term of the academic year, with lots of exciting transition opportunities taking place across the school, including meet the teacher and many more events and activities over the coming weeks.

I hope you have a restful and enjoyable break next week and I look forward to seeing all of you back at **8:45am on Monday 1 June**.

Headteacher
