HEAD'S MESSAGE

Dear parents and carers,

What fantastic weather it's been in the latter part of the week, with children enjoying the sunshine during P.E, break and lunch. Please be assured that the school follows Department for Education guidance to keep children cool during hot weather. We are also very lucky to have air conditioning units in every classroom, including in the nursery and reception. Guidance has been shared with staff and our premises manager, John, kindly monitors the use of air con around the school so that children do not overheat.

What you can do

- Please send children to school with a full water bottle
- Provide a hat each day
- Apply sun screen before school
- Remind your child to drink enough water over the course of the day

Today, we are sharing information about our sports days. To ensure that the events go ahead as planned, we will be hosting the days on-site.

Have a great weekend and enjoy the weather
