## HEAD'S MESSAGE

Dear parents and carers,

Thankfully, it has been a much calmer week this week, now that the heatwave has subsided. Thank you for your support during this challenging time. Although it is still quite warm, we are nowhere near the highs of last week, and I am glad to report that the children have been enjoying their break and lunchtimes, being sensible in the sun.

The EYFS and KS1 sports day took place today, benefitting from the fantastic weather. I think this was a record attendance from parents and carers, so thank you again for supporting this event. We now look forward to the KS2 sports day next week. We are proud to work in partnership with First Kicks Sports, who provide the excellent coaches that run our sports events as well as our weekly P.E lessons.

First Kicks are also running a summer camp at the school, details of which have already been shared with you, however you can also [click here](#) for more information or search 'First Kicks summer camp'.

A reminder that school closes early at 1:25pm on Friday 17 July and there will be no clubs on this day. Before then, we will be sharing reports and assessment results with you, so please ensure we have the correct contact details for you.

Have a great weekend.
