Dear Parent/Carer,

Princess May School Uniform Sale

School uniform is an important part of a school's identity. It reinforces who we are as a community and helps allow our children to feel pride in their school. It ensures that our children are not put under any pressure because of the type of clothes they wear and all that are treated equally.

In Friday's newsletter dated 28th June 2019, I shared with you the results of our recent uniform consultation survey. The views of children, parents, staff and governors were taken into account during the consultation period. The school received 147 responses from parents, a remarkable response rate for a survey of this type. **Following the consultation, the school will launch the new school uniform in time for September 2019.**

PRICE LIST

The school has worked hard to minimise the cost of the new uniform, and keep items with logos to a minimum, enabling most items to be purchased in supermarkets and discount retailers. Typical prices for each item without a logo are also listed. I am delighted to announce that the price of the new uniform is in-line with the current one, with a typical price difference of 38 pence. We are also pleased to be able to offer a one-off discount at our upcoming uniform sales; please see attached price list for more details.

In addition, the school has made the decision to offer each and every pupil a school tie, free of charge, meaning that the cost of the uniform for the next academic year will be considerably less than the current uniform. Ties will be sent home separately with your child next week. We ask you to please look after your free tie, as free of charge replacements cannot be made.

We have attached a pricelist to this letter. Prices are also available from our uniform supplier; www.brigade.uk.com.
