A Message from the Headteacher

Dear parents and carers,

We have had many exciting and important events in school this week, including Anti-Bullying week, School Council elections and of course, children (and adults) dressing up to raise money for Children in Need. We look forward to sharing with you our fundraising totals for both Children in Need and the recent Poppy Appeal in next week's newsletter. We are currently analysing the children's votes and will soon announce our brand-new School Councillors for this academic year.

We now look forward to a series of road safety assemblies next week, which will be particularly important for those older children who travel to and from school on their own. We would ask parents and carers to ensure they are reinforcing road safety with their children, particularly as there are many busy roads surrounding the school. We would also like to remind parents and carers not to park on double yellow lines or indeed on the zig-zag lines outside of the school entrance. Let's all ensure our children have a safe start to the school day.

Have a great weekend.

Mr Reynolds

Headteacher

Reading at home

As children start to learn to read at school, you can play an important role in helping to keep them interested in books. Parents are the most important educators in a child's life, even more important than their teachers and it's never too early to start reading together. There are things that parents can give children at home that the classrooms cannot.

Reading is more than just a practical tool. Through books we can enrich our minds; we can also relax and enjoy some precious leisure moments.

With your help, your children can begin a lifelong relationship with the printed word, so they grow into adults who read easily and frequently whether for business, knowledge, or pleasure.

IMPORTANT NOTICE

On Thursday 12th December our Nursery will be closed as it will be used as a Polling Station for the General Election. Our apologies for any inconvenience. A Letter and text will be sent out closer to the time as a reminder.

School Dinners

You can change your child from school dinners to packed lunch or visa versa at the beginning of every half term. Once you have made the change this cannot be amended until the following half term.

Anti Bullying

Whether it is verbal, physical, online or in-person, bullying has a significant impact on a child's life well in to adulthood. We can all make small and simple changes to break the cycle and create a safe environment for everyone. Together we can challenge bullying. Change starts with a conversation. It starts with checking in. It starts with working together.

Parent Association

We are always looking for ways to build positive relationships with our parent and carer community. In this regard, the school is considering launching a Parent Association. Please contact admin@princessmay.hackney.sch.uk with the subject line 'Parent Association' to express your interest. Parent Association activities may include fundraising, volunteering for school projects and liaising with our wider community. We would be keen to get this launched over the course of this academic year.

Parent Tours

Are you a new or prospective parent of Princess May? Book your tour of our school and see for yourself what we do! Each Friday morning between 9:30am and 10:30am. Speak to the school office, call 020 7254 1589 or email admin@princessmay.hackney.sch.uk to book.
