A Message from the Headteacher

Dear parents and carers,

I hope you are enjoying the more spring-like weather we have had this week – it finally feels like we may have seen the back of winter.

As you will know, we are experiencing challenging times at the moment, with much worry and anxiety felt by both parents and children. I would like to reassure parents and carers that the school is following all government and Hackney Learning Trust advice and will update you immediately should there be any further changes we need to communicate. For now, it is business as usual, as far as possible, and this includes educational visits and trips. We are also working hard to ensure that our school remains a safe and happy place for all children. Children have been given a lesson on how to wash their hands and the importance of hygiene so that we minimise the risks for all.

Year 5 attended London Zoo this week and year 2 attended the Science Museum, both of which play a crucial part in ensuring children gain the best possible learning experiences. Thank you to parents and carers who volunteered on these visits to make them possible.

Have a great weekend.

Year 1	92.6%	93.7%
Rec	90.9%	98.6%

If your child is unwell and unable to attend school, call us first thing in the morning to avoid a home visit.

Year 6 Science Museum Trip

Year 6 had an amazing time visiting the Science Museum last week, especially exploring the Wonderlab: learning about Forces, Electricity, Light, Sound, Matter, Space and Maths. The awe and wonder on the children's faces as they explored was unforgettable.

World Book Day Thursday 5th March

Well done to all our World Book Day Potato character makers! The winners (below) were taken down to Stoke Newington Bookshop to swap their voucher for a free book. When they returned they had refreshments in our newly decorated staff room!
