Dear Parents and Carers,

It has been another very busy week at school. We have had countless educational visits across year groups (see below for more details), a special 'Arsenal' assembly, choir performances and much more. And all of this whilst we have dealt with the hottest week of the year so far. Children have coped exceptionally well and I would like to thank you all for your support in sending children to school with hats, sun screen and water bottles.

We now look forward to the annual Carnival celebrations and international evening, which takes place next Friday. Children and staff alike are excited to share all of their hard work with you and I very much hope to see you all there. It should be a fantastic event.

To finish, just a polite reminder that we do start school promptly at 8:55am. We would appreciate your support in ensuring that your child is on time each morning. Research has shown that good attendance and punctuality has a positive impact on children's learning.

I wish you all a pleasant weekend.

Mr Reynolds  
Headteacher

### Reception at the Farm

On Wednesday 27<sup>th</sup> June Reception went to Surrey docks farm as a continuation of our topic about Changes.

We looked at different farm animals and observed plants, flowers, even insects. We found sheep and lambs, hens, roosters and young adult chickens, we saw turkeys and pigs. We learned through experience that nettles sting and we should avoid touching it. We also learned that goats' family members are called billy for male, nanny for female and kids for babies. We had lots of fun!

*'Could I have a pet sheep, please?'*
