Dear Reception parents and carers,

24/06/2020

### **Precautionary closure for Reception group A**

As a precaution, we have today asked your child to remain at home as a staff member has disclosed that someone in their household is **demonstrating symptoms** of Covid-19. Please be assured **that this is not a confirmed case**.

The staff member concerned was not in close physical contact with any child in the school at any time and had a minimal presence within your child's 'bubble'. They have assured us that they have remained at a 2-metre distance from staff and pupils at all times.

The staff member and their household will be tested imminently and we will inform you of the result as soon as we have received it. Should the results be negative, your child will be welcomed back to school shortly, however if there is a positive result, we will be in touch with you to offer further guidance.

Again, I want to reassure you that this is purely a precautionary measure at this stage. Please keep an eye on your text messages and emails for further communications over the coming days.

Yours sincerely,

Kevin Reynolds  
Headteacher
