Dear parents and carers,

### **Year 5 pupils' home learning**

We know that the decision to either send your child back to school or continue with home learning has been a difficult one. I want to reaffirm that the school will continue to support your child with home learning, weekly phone calls and free school meals vouchers, where you are entitled to these, now that you have made the decision to keep your child at home. You are also welcome to email us on [admin@princessmay.hackney.sch.uk](mailto:admin@princessmay.hackney.sch.uk) or call the school office should any issues arise between weekly teacher phone calls.

Teachers will continue to set home learning for year 5 children for the remainder of the summer term through Microsoft Teams, and children should interact with this in the same way they have been. I would also like to take this opportunity to thank you for supporting your child in their use of Teams since the school closure. Children and parents have adapted incredibly quickly to this new way of learning, and it has been great to see such high-quality interactions between staff and pupils.

It is important for us to have certainty on the number of pupils attending so that we can maintain social distancing, where possible. Therefore, if you decide you would like to discuss the possibility of your child returning to school at any point then please complete the following form beforehand, where someone will telephone you to discuss further:

<https://tinyurl.com/y8czwpdk>

**Please do not send your child to school without completing this form.**

We will be continuing to communicate with you in the usual way, so please do check your text messages and emails to ensure you are kept informed of future developments and weekly newsletters.

Yours sincerely,

Kevin Reynolds  
Headteacher
