Dear Reception parents and carers,

25/06/2020

**Precautionary closure for Reception group A: negative test result**

I write further to my letter to you yesterday regarding the precautionary closure of your child's Reception bubble.

I am pleased to inform you that **the staff member concerned has now tested negative**, as have members of their household.

I would like to apologise for any disruption caused to you during this temporary closure, however the health and safety of our school community will always be our number one priority.

**Your child will be welcome back at school on Monday 29<sup>th</sup> June** to enable us to complete our deep-clean of all areas.

Yours sincerely,

Kevin Reynolds  
Headteacher
