ROBLOX: Interactive Social Platform

Children have enjoyed playing ROBLOX since 2011 where they can create characters and play in open online worlds which are also created by its users.

The app specifies that a kid-friendly chat system limits the amount of engagement younger players have with strangers. However, as with all social networks, it does not eliminate engagement with strangers and children often receive friend requests from people they do not know.

Kent police raised concerns about ROBLOX after speaking with children in years 2 and 3 and finding that most of them had not told their parents about friends they have on ROBLOX. They also told Kent police that they had received many in game messages and had spoken to strangers via their headset and they had not told their parents. Many children also said their accounts were 'maxed-out', meaning they have 200 online friends.

MESSAGE TO PARENTS

We advise every parent to:

- Check their child's ROBLOX account, as well as any other online games that they play.
- Check that their online friends are known.
- Speak with your child about staying safe online and monitor their usage.
- Parents to uninstall App from child's phone if worried or concerned about usage.

Year 5 Art Exhibition RIDLEY ROAD MARKET

On 22nd February Year 5 proudly presented their artwork to parents in the exhibition which was the outcome of a special project about Ridley Road Market. The project coordinated by the House of Illustration started in November with a visit to the House of Illustration Museum. The children met Lucinda Rogers, a famous illustrator who portrayed our Dalston market in a series of amazing drawings. Later they took part in the workshops under supervision of another artist Sion Ap Thomas. After practicing Life Drawing in the classroom the budding artists went to the Ridley Road Market where they spent many hours observing and drawing stalls. You can see here some of the amazing pictures they produced. The exhibition was a huge success. The organizers came along with the artists involved in the project and were very impressed with children's work. Many pictures were sold on the day. Well done to the young artists.

The prints of the children's artwork can be purchased for £3 via school office. Check our website for more photos.

EASTER PLAYScheme in Hackney
