School Uniform/Princess
May. *If you need
assistance contact the
office/Joanna*

Celebrating Achievement

Dear Parents / Carers,

As you may have read we had a successful Ofsted this term. The school is effective because teachers and children and parents are working together to achieve the same aim.

We want our children to be successful academically and socially.

I would like to thank the staff for their continuous hard work, the children for their perseverance and dedication to learn and you, the parents and carers, who contribute with your support in many ways.

Well done Princess May

Stephen Spooner
Head teacher

Schools for Success Award

Mayor of London Sadiq Khan recognises
Princess May Primary School for
exceptional educational achievements.

We are very proud to receive the Schools for Success Award for achieving results above the expected rate of progress for a significant amount of children.

PARENTS EVENING on Tuesday 31st October and Wednesday 1st November

Please attend and speak to your child's teacher. Find out about your child's progress and how you can help them at home. Sign up sheets will be in the playground on Monday 30th am and pm and Tuesday 31st pm

Attendance is Paramount

Well done to all parents and children! Our attendance has improved and we are currently achieving 96.1%! Please keep up your efforts and remember every day in school counts towards your child's academic achievements. No holidays can be taken in term time so check school term dates before booking any travel or holidays.

PACKED LUNCHES - Healthy Choices

Parents please make sure you provide your children with a healthy packed lunch.

We do not allow children to have fizzy drinks and sweets or chocolate as part of their packed lunches. Simply swapping sweet biscuits, crisps and chocolate bars for foods like dried fruit, cheese or a low-sugar yogurt is a huge step toward a healthy life style.

COMMUNITY LEARNING

Family Learning Festival 23rd - 28th October 2017

Do not miss this fantastic opportunity for families to come together and start their learning adventure by taking part in FREE, fun and informal learning activities across Hackney. More info: www.learningtrust.co.uk

Email: office@acschool.org.uk

On the 3rd of October as part of the study of **Black History Month**, Y3 students attended a workshop at the Hackney Museum . It focused on the cultural diversity of the Caribbean and how its multicultural history has shaped the distinctive cultures found across the Caribbean today, through the work of photographer Tim Smith. Students were able to view pictures, poetry and artifacts from the Caribbean and create narratives through further exploration. We studied the links between the Caribbean and Hackney and applied this experience to several creative group tasks.

See also Hackney Council Facebook page & photos from the Year 4 visit at Hackney Museum.
