Term Time Place2Talk

Is your child worried about things going on around them? Are they having friendship issues or reacting to challenges in unexpected ways?

Our Place2Talk service from Place2Be is a perfect avenue of support for all our children and works alongside our Pastoral team. Place2Talk is available each Wednesday and Thursday lunchtime during term time. Children can request a slot via their teacher to discuss anything they'd like some advice about. If you think your child would benefit from taking a 15minute slot encourage them to book or contact the school to discuss any concerns you have.

6 week free international cuisine online cookery course, April-May

Starts Thurs 22 April, 6.30-8pm

Join our chef Mark Breen to celebrate London's multicultural community by learning how to cook a range of international cuisines over 6 weeks. You'll enjoy dishes from Ireland, Italy and Indian, to Jamaica and Mexico.

Committed to improving health and wellbeing and reducing food miles, our teachers adapt recipes and show learners how to get the same authentic taste from local ingredients and healthier cooking techniques.

To join a class you need access to a smart phone or computer and a good internet connection. We'll then beam the live class straight into your kitchen via Zoom with all ingredients and equipment needed supplied in advance of the session.

To book onto either course: please email classes@madeinhackney.org or call 020 8442 4266 as soon as possible as places are limited, stating which course you want to book.
