

In **Art** we are making toy collages, teddy bear masks and we are designing our own toys.

In Topic, (**Geography & History**) we learn about:

- Changes within living memory.
- Toys from the past What is the same and what is different between toys in the past and toys today
- Black history month
- Trip to the history museum

In **Science** we will be looking at:
Materials:

- their properties
- how to sort them
- waterproof and non-waterproof materials
- The materials the three little pigs used

This half term's topic is:

Toy Invasion

Changes within living memory

In **PE** we are focussing on Football and Gymnastics.

Remember PE kits **Wednesday** and **Thursday**.

In **ICT** we will be looking at E-safety.

This will involve learning about the risks of sharing information online and keeping safe on the internet.

Homework will be given on a Friday and is to be completed and returned by Tuesday. Reading book and home-school journals are to be in school daily, please remember to sign your child's journal each time you hear them read.

In **D&T** we will be making our own toys.

In **Literacy** we will be:

- learning our sounds and blending
- writing simple sentences
- short stories

In **Numeracy** we are learning the following units:

- Numbers and number bonds to 10
- Adding and subtracting within 10

In **R.E.** we are learning about the Harvest festival.
